

1. Druk op [Menu](#)
2. Ga naar [Toepassing](#)

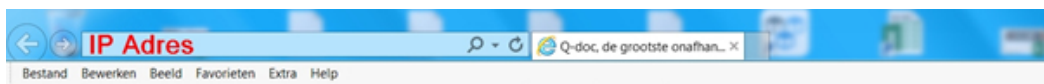

3. Klik op [Apparaat informatie](#)

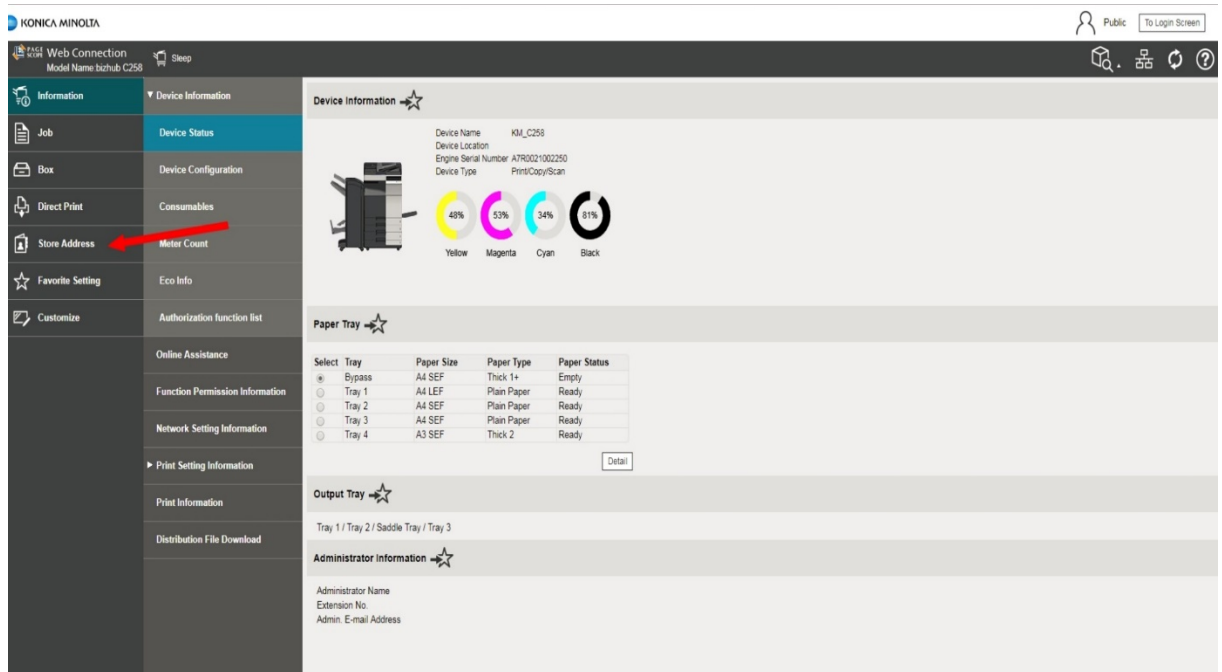

- IPv4-adres geeft het IP-adres van de printer weer.

- Open een willekeurige web browser → Verwijder het **http://** gedeelte en vul vervolgens het desbetreffende IP-adres in.

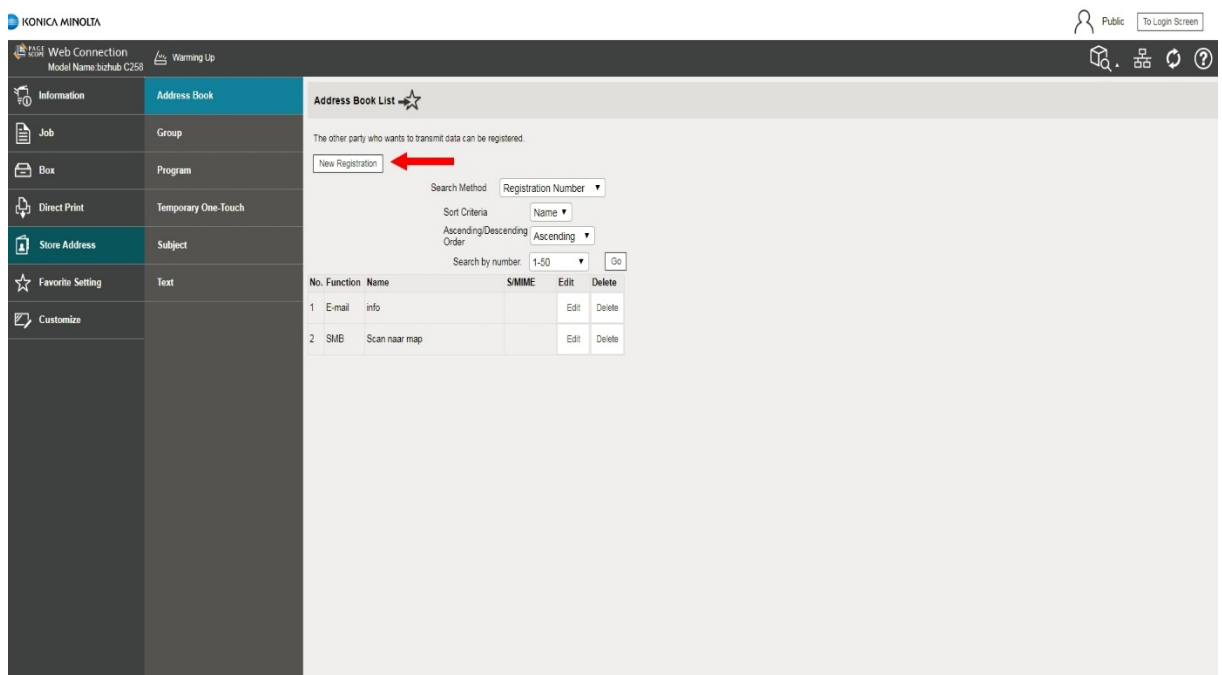

6. Kies vervolgens voor **Store Address**

The screenshot shows the Konica Minolta web interface for a C258 device. The left sidebar contains a menu with the following items: Information, Job, Box, Direct Print, Store Address (highlighted with a red arrow), Favorite Setting, and Customize. The main content area displays 'Device Information' with details such as Device Name (KM_C258), Device Location, Engine Serial Number (A7R0021002250), and Device Type (Print/Copy/Scan). Below this, there are four circular progress indicators for consumables: Yellow (48%), Magenta (53%), Cyan (34%), and Black (81%). Other sections include Paper Tray, Output Tray, and Administrator Information.

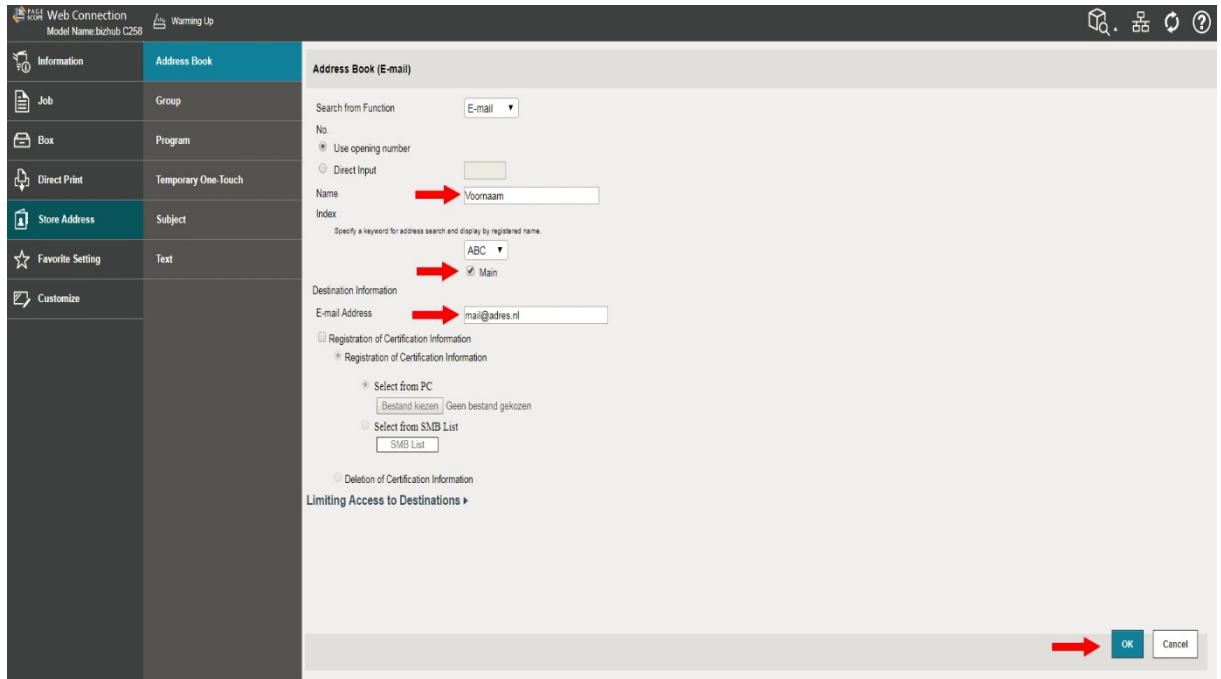

7. Klik op **Nieuwe Registratie**

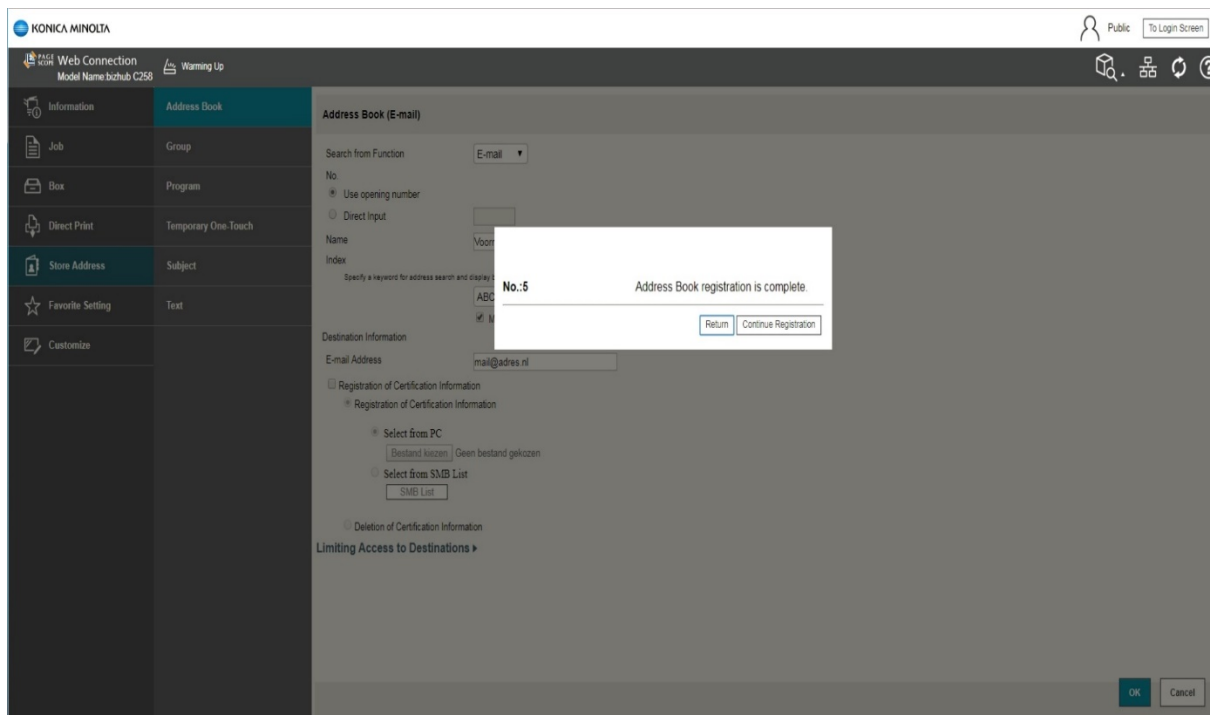

The screenshot shows the Konica Minolta web interface for a C258 device, specifically the 'Address Book List' section. The left sidebar has 'Store Address' selected, and the 'Subject' option is highlighted. The main content area displays the 'Address Book List' with a 'New Registration' button highlighted by a red arrow. Below the button, there are search and sort options: Search Method (Registration Number), Sort Criteria (Name), and Order (Ascending/Descending). A table lists two entries:

No.	Function	Name	S/MIME	Edit	Delete
1	E-mail	info		Edit	Delete
2	SMB	Scan naar map		Edit	Delete

8. Vervolgens zijn er 3 velden die ingevuld moeten worden
 - a. Voornaam van persoon
 - b. **Main aanvinken**, daarmee komt de naam button direct op het hoofdscherm
 - c. E-mailadres invullen
 - d. Bevestigen met **OK**

9. Via [Continue Registration](#) kun je de bovenstaande stappen (8 a- c) herhalen.

10. Kies je voor [Return](#), dan ga je terug naar het overzicht scherm met de e-mailadressen. Hier kun je het toegevoegde e-mailadres vervolgens terugvinden in de lijst.
